

Yellow Rx (B195)

A yellowing and browning removal treatment

FOR PROFESSIONAL USE ONLY

Specialty problem solver

APPLICATION: Spotter

DESCRIPTION

Yellow Rx is a specialty problem-solver which is formulated to remove yellow and brown discolorations on nylon, olefin and many natural fibers resulting from chemical residues, over wetting, environmental or structural conditions. Yellow Rx is also an excellent treatment for removal of "cellulose browning" on many fibers. Removes browning and other acid-treatable stains on many upholstery fabrics.

FEATURES

- Removes yellow discoloration caused by chemical residues, over wetting, environmental, or structural conditions
- Use on nylon, olefin and natural fiber carpets, and many upholstery fabrics
- Removes browning
- Also removes many urine, tannin, coffee, tea, fruit juice, and beer stains
- Phosphate-free
- Contains no optical brighteners
- Helps stabilize some dyes

WHERE TO USE

Carpet: Yellowing and browning on nylon, olefin and many natural fiber carpets. Removes many urine, tannin, coffee, tea, fruit juice, and beer stains.

Upholstery: Removes browning on water-cleanable upholstery.

USE DILUTION:

Carpet: For corrective treatment, dilute 24 oz (3 cups) of Yellow Rx to make a gallon (1:5).

For light yellowing or preventive application, dilute 12 oz (1½ cups) Yellow Rx to make a gallon (1:10).

Upholstery: Dilute 12 oz (1½ cups) Yellow Rx to make a gallon (1:10).

USE DIRECTIONS:

Spray on, allow 5–15 minutes dwell time (depending on severity of discoloration and product dilution). Rinse-extract with clear water or All Fiber Rinse. Use fan if needed to accelerate drying.

COVERAGE: Makes up to 10 ready-to-use gallons. One ready-to-use gallon treats approximately 400 square feet. Coverage will vary depending on discoloration severity and thickness and absorbency of carpet.

USAGE TIPS:

- May be used without dilution (with caution) on severe discoloration or stains.
- Effective on many other acid-removable stains: Urine, tannin, coffee, tea, fruit juice, and beer.
